

2022-2023

Welcome to St. John School. Our tuition goals strive to make a Catholic education affordable to our families and students, offering a trusting community relationship between the school and our families. All students at St. John School receive an upfront financial discount since our tuition and fees do not cover the full cost of educating each student. Your active participation in the life of the school and fundraising efforts, along with benefactors help to provide for the difference. Our payment policies, along with annual fundraising efforts, benefit all students by increasing our ability to provide a quality education in a Christian environment. Below are the tuition rates for the 2022-2023 school year. St John School's operation is dependent on families making all of their required tuition payments per stated tuition policies. Tuition Billing and Payment Options

St. John School partners with FACTS Management Company as our provider to help manage all tuition during the school year. The FACTS Management Company serves over 4,000 schools nationwide and is the industry leader in tuition management for private and faith-based schools. ALL families are expected to be enrolled in the FACTS Tuition Management system per policy. All existing families in the school that have an active FACTS Tuition Payment Plan in the previous school year do not need to submit a new payment plan application for the coming year.

Please Note: If you have changes to your current plan such as payment date, plan type or bank information, you must submit the information in writing to the school secretary by May 15th; otherwise the existing information on file will be used.

PAYMENT PLAN OPTIONS: Working with FACTS, our families have two payment plan options available for the billing and collection of all tuition. All tuition payments are to be made through FACTS Tuition Management Company. Payments must be made through bank-to-bank transfer of funds from an authorized checking or savings account.

To log into FACTS, please visit the following website <https://online.factsmgt.com> or click on the FACTS logo on our website.

PAYMENT OPTIONS:

Single Payment Option: One (1) single payment through the FACTS payment plan made on June 3rd.

Installment Plans: Ten (10) monthly payments through the FACTS Installment Plan, payable on the 5th or the 20th of each month starting in June and ending in March.

RETURNED PAYMENTS using FACTS:

For those on the Ten (10) Month Installment Plan:

If FACTS returns your payment due to insufficient funds, FACTS will initiate payment attempts up to two (2) more times, per the next available payment dates.

Your account will be charged with a non-sufficient fund (NSF) payment fee per returned payment item.

FACTS will notify you in advance of the date for re-attempting the returned payment along with the fee. For example, a returned July 5th payment will re-attempt on July 20th and incur a returned payment fee. If the payment is returned again for NSF, FACTS will re-attempt a second time on August 5th, resulting in two (2) returned payments fees.

REQUESTING CHANGES TO THE FACTS PAYMENT PLAN:

Please contact the school office if you require changes to the payment dates established in the FACTS system or information. Please allow at least ten (10) business days for the changes to be made before any due dates or times.

COVID 19 Tuition Policy

We acknowledge and understand that the unprecedented nature of COVID -19 continues to create a challenging situation for us all.

While it is out hope that Saint John School will safely remain open during the upcoming school year, we cannot predict how COVID-19 may affect the future or require any potential closure requirements as mandated by the State, City, or Archdiocese.

Kindergarten through grade 8:

If Saint John School transitions to a fully remote eLearning model, then we will continue to provide a robust education through eLearning. All students will be taught through our eLearning platforms daily, as such all tuition polices will remain in place, including withdrawal policies.

Pre-K3 & Pre-K4

If Saint John School transitions to a fully remote eLearning model, then we will offer students direct instruction through individual sessions with their teachers. However, given the play based focus of the OWL and Building Blocks curriculum there are parts of the pre-K classroom experience that we recognize we are perhaps unable to successfully deliver fully through eLearning. As such if Saint John School transitions to being full remote, a 50% discount will be enacted for the days we are closed. All other tuition policies, including withdrawal polices remain in place.
